

PUBLIC TOILETS

We have taken the decision to re-open the public toilets in the Community Centre. However, this depends on users keeping the following rules:

- Do NOT use if you have any Covid-type symptoms.
- Only one person at a time in each section.
- Respect social distance from anyone waiting.
- Do not congregate in the lobby.
- Wash your hands thoroughly after use.
- Do not leave any waste or litter in the toilets or lobby (except nappies/hygiene products in the bins provided)

Please be considerate of other users, and please remember that Council staff have to clean these facilities and should not be put at risk of infection.

If these rules are not observed, the toilets may have to be closed again.

Thank you for your cooperation
Forest Row Parish Council
